

# Shape Cards

The 18 cards are broken into size, shape and color.

Matching based on these three items will create hours of learning enjoyment for your young child.

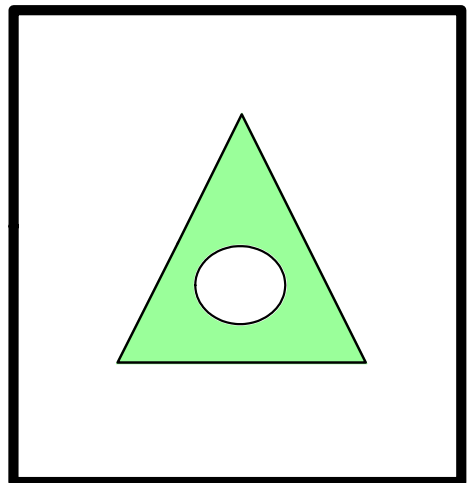

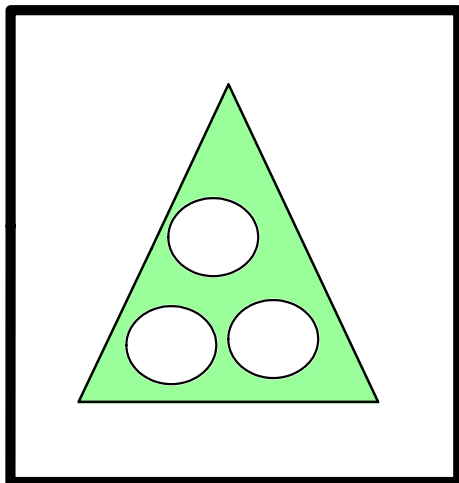

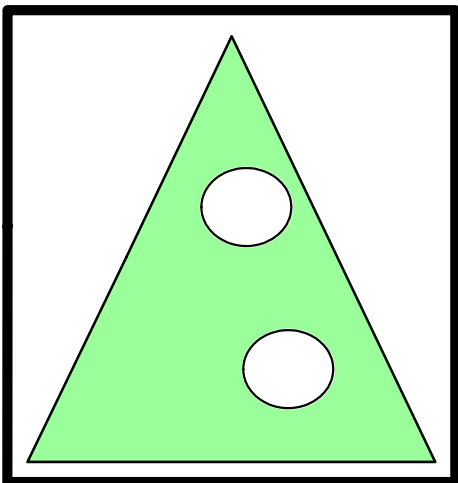

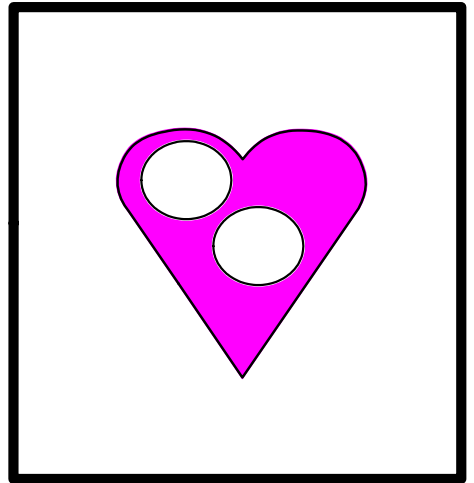

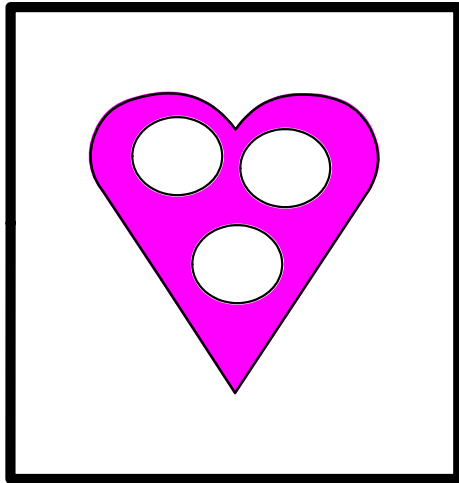

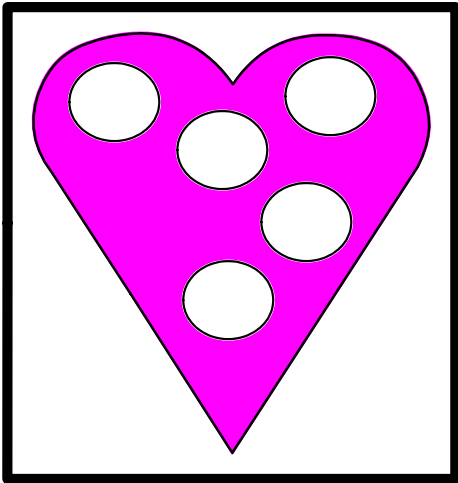

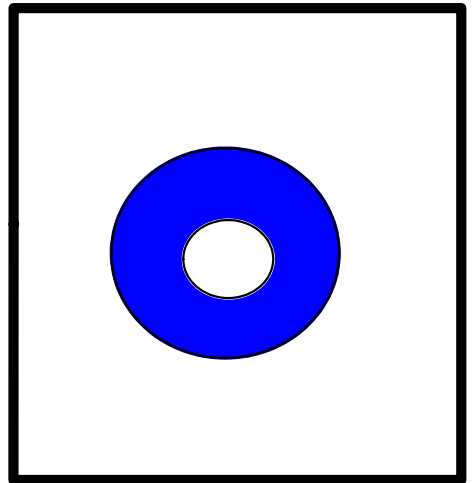

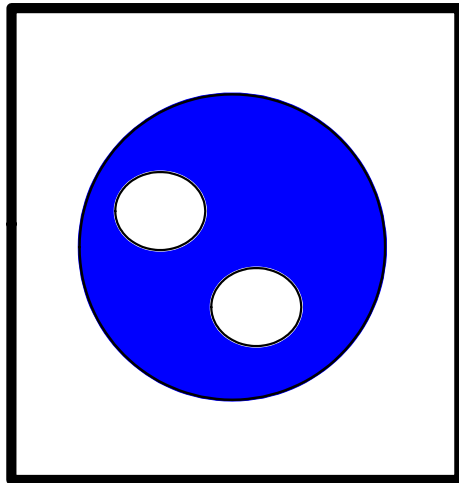

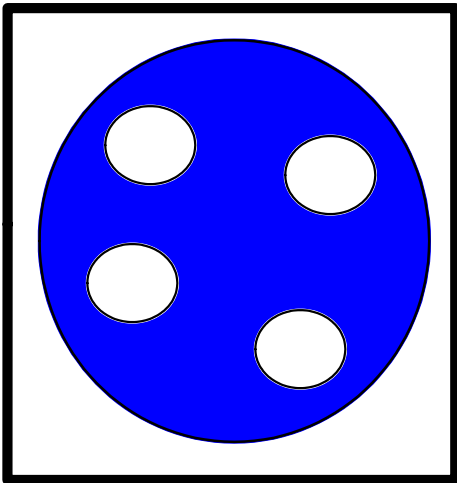

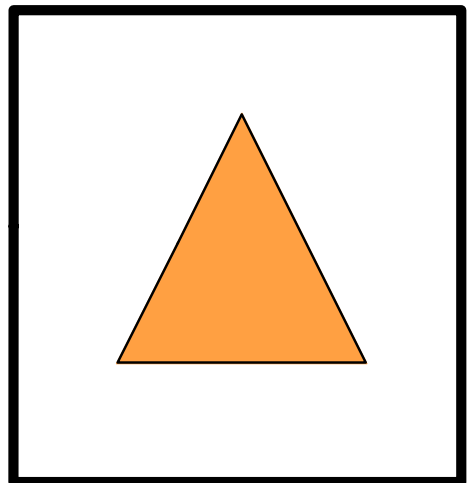

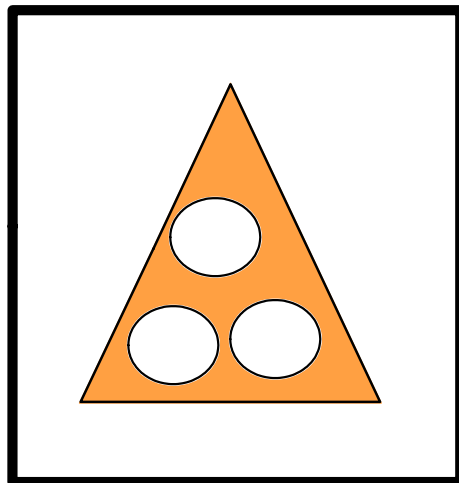

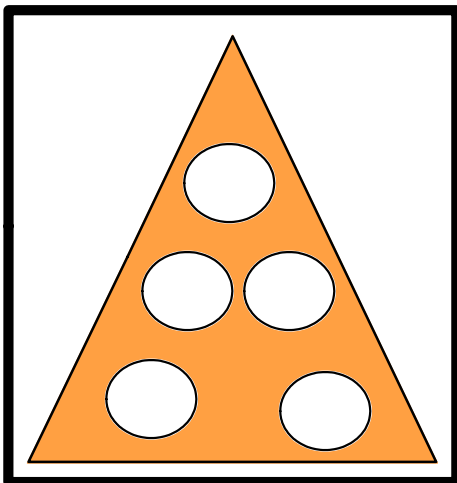

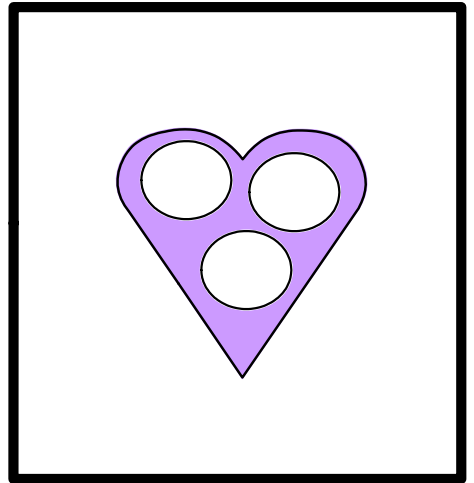

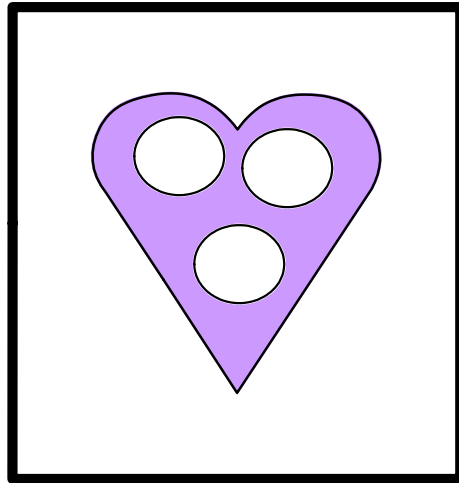

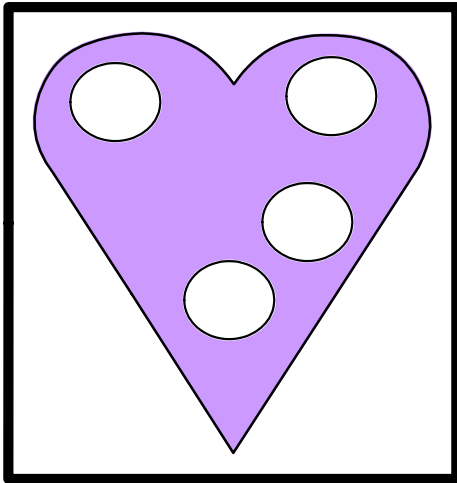

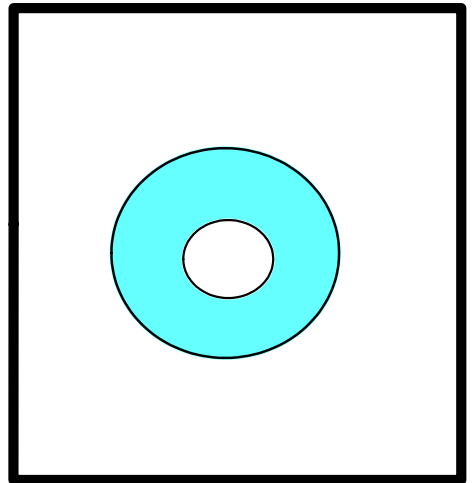

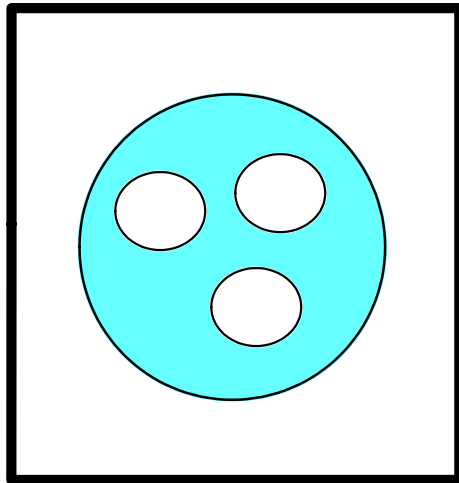

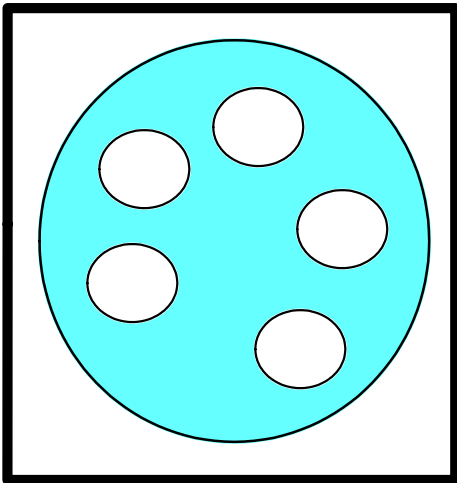

Which has more holes?

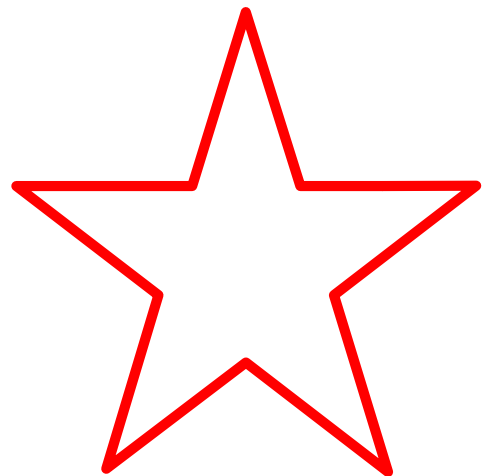

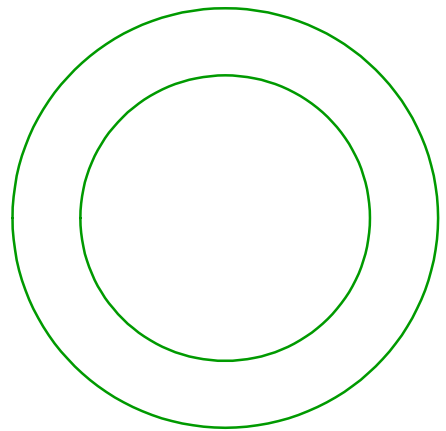

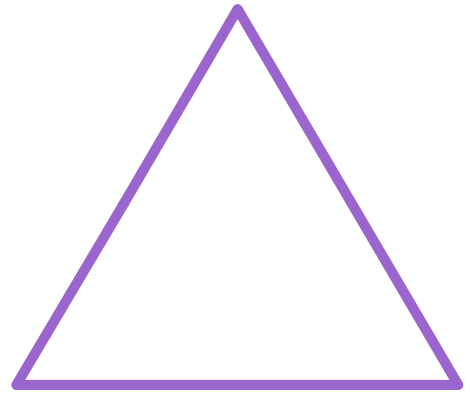

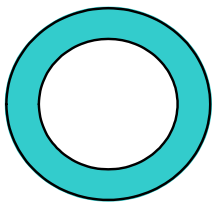

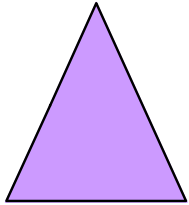

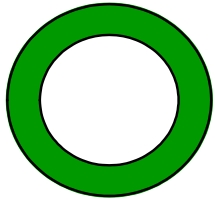

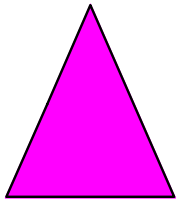

What a fun game. Learn  
the concepts of more and  
less, matching, etc.....

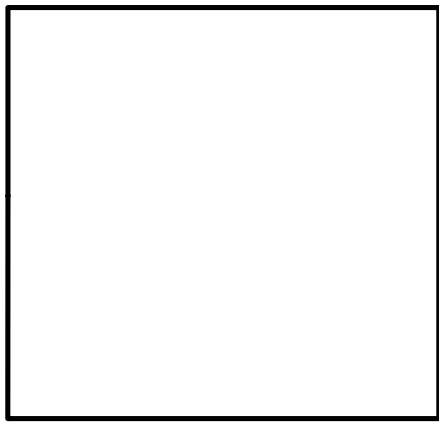

Name \_\_\_\_\_

Match the color and the shape, then draw a line to the match.

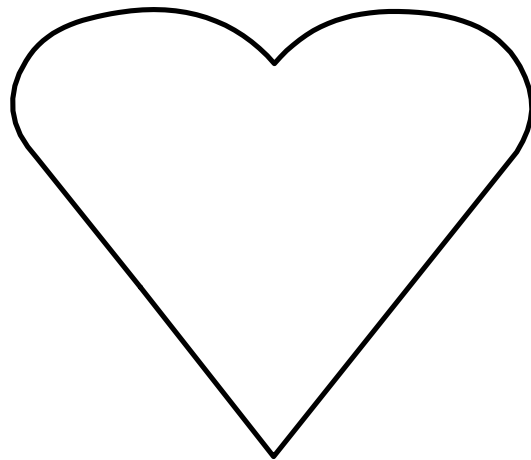

Name \_\_\_\_\_

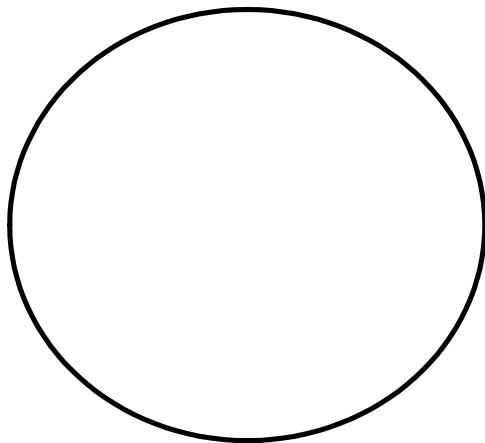

Place a strand of glue along the blacklines, let dry and let the

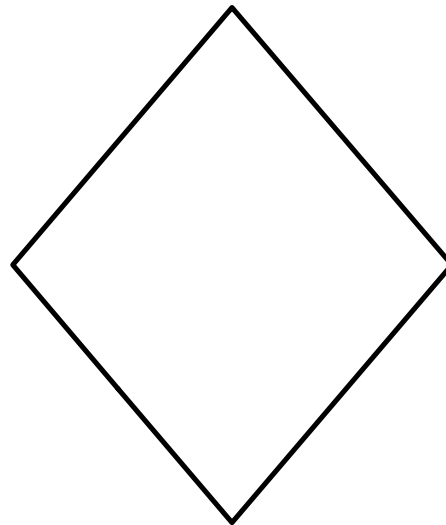

**SQUARE**

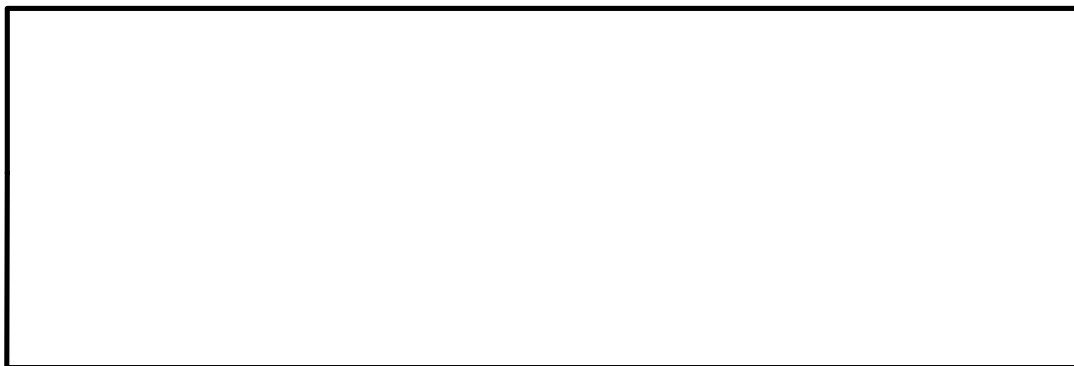

**HEART**

**CIRCLE**

**DIAMOND**

**RECTANGLE**

Name \_\_\_\_\_

Color the egg then cut along the grey lines to create a 5 piece puzzle.
