

The Bus Run

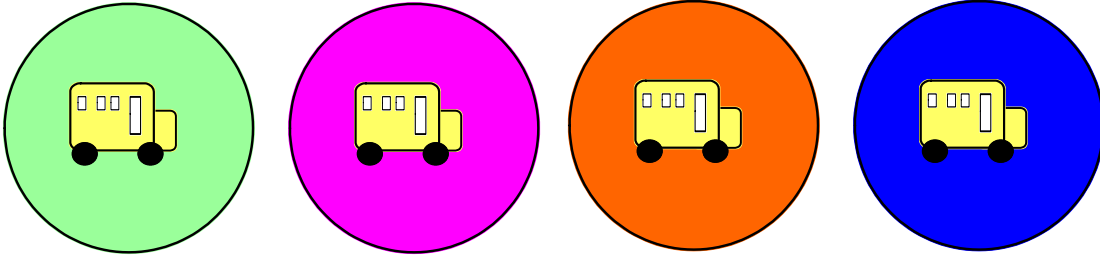

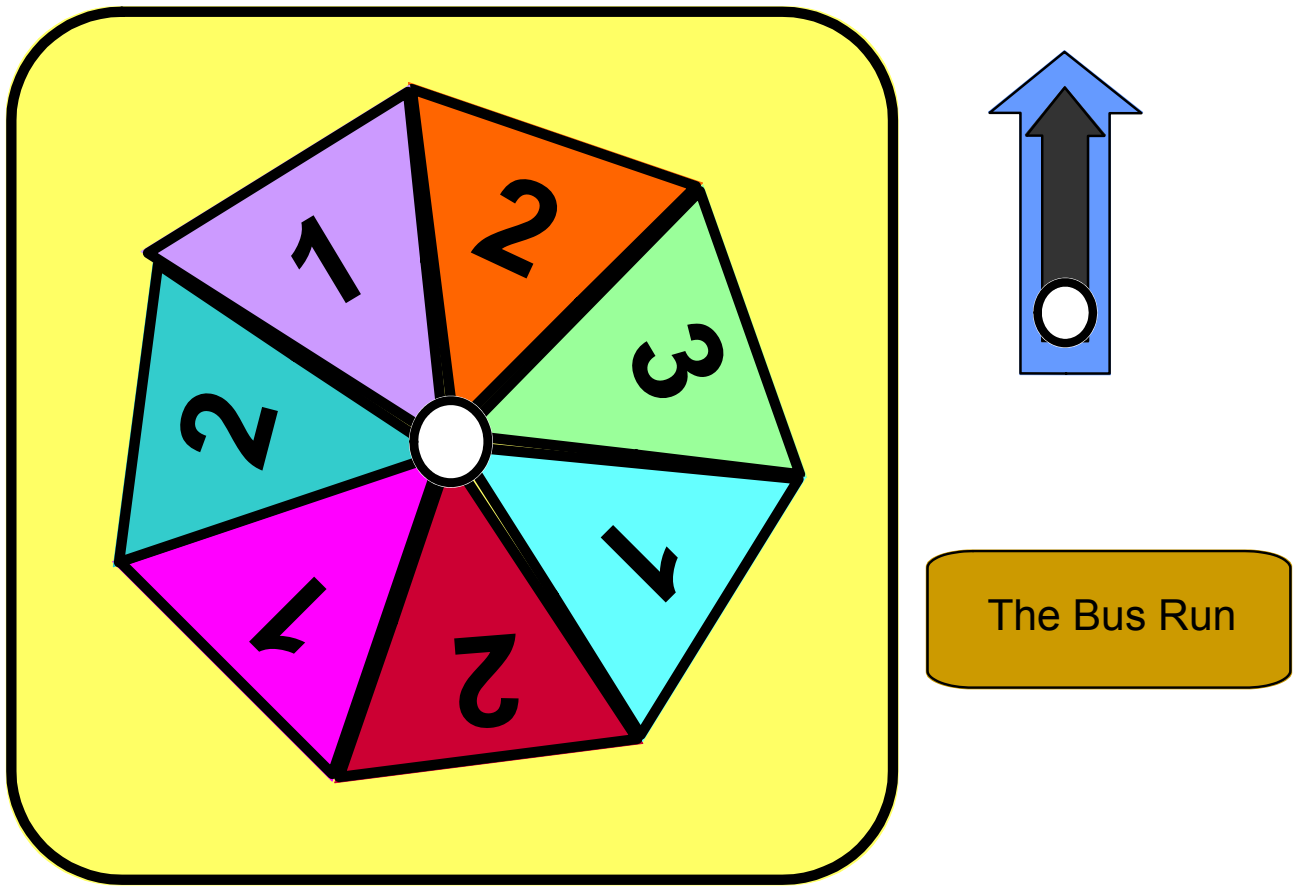

Place your favorite bus at the start sign. Flick the spinner to see what number of times you move. If you land on a bus ...move ahead the + spaces. If you land on an arrow move back the - spaces. First person to land on the Finish sign wins.

File Folder Activity - The Bus Run Game

Cut out the 4 game pieces and laminate - as you would for any file folder activity.

Create the spinner by cutting out the base and the arrow.
Push a metal (aluminum gold tinted) pronged pin through the center holes - be sure the holes are lined up properly.
Laminate prior to doing this for durability.
